dish washer size: 24" w x 8.25" h front

— MIDEA DISHWASHERS —  
**SPARKLING HYGIENE.  
 HAPPIER YOU.**

BRING HOME HAPPINESS

MIDEA: World's Leading Producer of Consumer Appliances\*

dish washer size: 24" w x 8.25" h inside

**INTRODUCING MIDEA DISHWASHERS**

At Midea, we are always looking for ways to make your life easier and happier. We bring you our world-class Midea dishwashers, perfectly designed to put an end to all your dishwashing worries.  
 Introducing our brand new range of super-efficient, intelligent, and great-looking dishwashers. Midea dishwashers give your dishes sparkling hygiene. They are designed to offer excellent energy and water savings. What's more? Midea dishwashers come fully loaded with innovative and easy-to-use functions.

**Breathing Filter**  
 Midea dishwashers come with a breathing filter to ensure a stable flow of water, reducing bubbles in pipes and sprayers. Ultimately, an enhanced overall cleaning performance.

**Innovative Blade Spray Arm**  
 Midea dishwashers have wider blade spray arms, leading to an increased wash coverage. This helps them sweep the entire interior including the corners.

**Adjustable Racks**  
 The dish racks are height-adjustable and have been engineered to accommodate utensils of all shapes and sizes.

**Lower Noise Levels**  
 Midea dishwashers have been designed to operate at an extremely low noise level. Their cutting-edge, Noise-Reduction technology ensures that you and your family are undisturbed.

**Energy-efficient & Water-saving**  
 Midea dishwashers use less water and save you hundreds of litres annually.
