RESIDENTIAL AIR CONDITIONERS 2023 CATALOGUE

MIDEA BRAND HISTORY

From small beginnings in 1968, Midea has risen to become one of the foremost leaders in the global home appliance industry. Our products touch billions of lives around the world on a daily basis, bringing comfort and convenience into homes everywhere.

We are humbled by our origins yet inspired to reach for excellence with each new endeavour as we seek to elevate something mundane into an extraordinary experience.

FORWARD THINKING

We strive to surprise and captivate consumers with interesting concepts, while making meaningful contributions through our products. Our ambition is fueled by a perpetual stream of imaginative ideas that set us apart from the rest.

GENUINELY CARING

Powered by an ambition to make the home a nurturing space for cherished memories, we strive with humility and empathy to provide our customers with memorable experiences.

Santis Neo Royal

These smart ACs are intuitive with power usage and refrigerant leakage while being connected to your WiFi smart assistants.

WiFi

Always stay connected to your AC using voice control with Siri and Alexa.

AG+ Nano Filter

Get cooling with clean and healthy air indoors with efficient filters for better breathing.

Gear Control

Advanced flexible inverter gives you customised cooling in a single click. Super | Normal | Mild | Eco

Refrigerant Leakage Detector

Smart detection systems detect any leakage of refrigerant and notify you.

5 STAR INVERTER AC
Available in 1TR, 1.5TR & 2TR
