MIDEA BRAND HISTORY

Since its humble beginnings in 1968, Midea has ascended to prominence in the global home appliance industry.

Our products play a vital role in the daily lives of billions worldwide, offering comfort and convenience to households spanning vast distances. While we hold a deep appreciation for our modest beginnings, we are continually fueled by inspiration to pursue excellence in every new endeavour, aiming to transform the ordinary into an extraordinary experience.

FORWARD THINKING

We endeavor to astonish and engage consumers with intriguing concepts, all the while making meaningful contributions through our products. Our ambition is driven by a continuous flow of imaginative ideas, setting us apart from the rest.

GENUINELY CARING

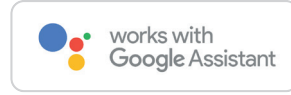

Driven by a passion for turning homes into nurturing havens for cherished memories, we work with humility and empathy to provide our customers with unforgettable experiences. Embodying 'Make yourself at home', we strive to create a sense of warmth and belonging in every interaction.

MIDEA Wi-Fi CMI

The Midea Wi-Fi CMI app allows you to control your air conditioners from anywhere. Connect and control multiple air conditioners, set timers for functions and connect with your smart home devices with just your phone.

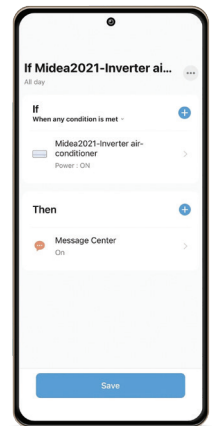

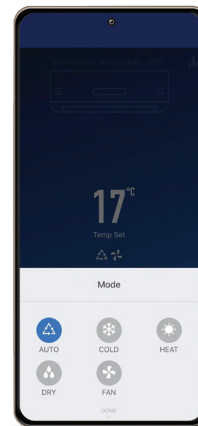

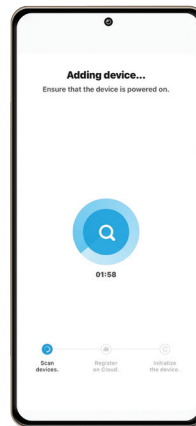

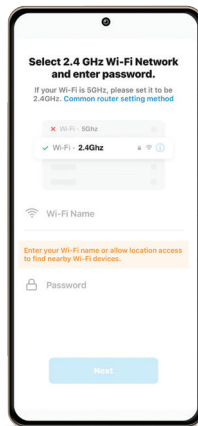

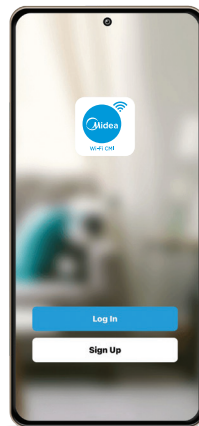

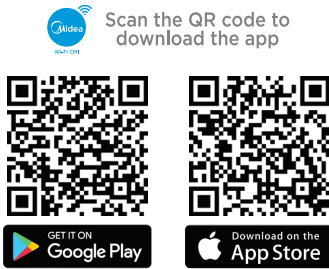

Wi-Fi
Voice Enabled

STEPS TO CONNECT YOUR DEVICE

- Step 1: Download the app and log in.
- Step 2: Connect to your Wi-Fi.
- Step 3: Locate and add your air conditioner.
- Step 4: Step up your device.
- Step 5: Manage your devices with just your phone.

GEAR CONTROL

Midea Gear Control feature is designed to cater to different cooling needs and preferences. This feature is engineered to prioritize energy efficiency, making it ideal to adjust cooling modes & maximize energy saving.

HERE ARE 4 COOLING CAPACITY ADJUSTMENTS

GEAR	1 TR - 3/5 Star	1.5 TR - 3 Star	1.5 TR - 5 Star	2 TR
ECO : 50%	0.5	0.7	0.8	0.9
